Governor Brownback honors fallen soldiers at Fort Scott Symbols of Sacrifice Event

Fort Scott- Today Kansas Governor Sam Brownback commemorated the anniversary of the 9/11 terrorist attacks and Patriot Day at the Fort Scott National Historical Site. Fort Scott partnered with community members to present Symbols of Sacrifice, a program that highlights the sacrifice of Americans throughout the 19th, 20th and 21st centuries. As part of this program the Fort has flown a flag for each service member who has died while serving the United States during the War on Terrorism.

“We saw great acts of courage from our first responders on September 11 and we see that spirit in every member of our armed forces today,” said Governor Brownback. “We must always remember their bravery and sacrifice with gratitude.”
